

5 Day Expedition Sails

Thank you for enquiring about our 5 day live aboard sailing courses.

This course has been designed around an expedition along the Western Australian Coast. You will be part of a working crew participating in all the skills you need to become a competent yachtsperson.

You will be trained to take over command of the yacht and by the end of the course should be able to handle the vessel safely and competently.

You will be studying an IYT sailing course and graduate with an internationally recognised certificate that will allow you to charter yachts around the world.

We will also fit in plenty of adventure including swimming, snorkelling, fishing, exploring and friendship.

Check our website to learn more about our sailing catamaran Queimarla and your captain/instructor Captain Paul. You can rest assured that you will be in safe hands on a well found vessel.

adventuresailing.com.au

Everything is provided on board you simply need to bring the following:

- 1 X Passport Photo. (needed for your radio licence)
- Clothes for 5 days
- Hat and Sunglasses
- Wet weather jacket (we can lend you one of ours if you wish)
- Head torch
- Shoes that can get wet for exploring the coast.
- A good book
- Alcohol

Cost is \$2000 per person.

This is a great Adventure covering all the skills you need to be able to do this for yourself. Our catamaran is a performance sailing machine and you will experience exhilarating sailing in a world circling sailing vessel that is fully certified by Australian Maritime Safety Authority. Your skipper / instructor is a fully qualified professional skipper (Master class 4) with over 35 years sailing experience. Few people know the coast as well as Captain Paul.

You are fully insured whilst onboard , however, we strongly recommend travel insurance to cover you for any unforeseen complications. Once on board the catamaran you are fully covered by our insurance. Travel insurance is about \$50

Adventure Sailing 5 day Courses.

There are 3 courses that can be completed during a 5 day course. The one you study will depend on your experience and your training needs.

Option 1. International Crew Certificates.

- This course has NO prerequisites.
- Minimum age 14
- This course is often chosen if candidates require less training therefore allowing more time for relaxing and enjoying the environment. (Less work more play)
- This is a good introductory level.

Option 2. International Flotilla Skipper

You must hold a Marine Radio licence before the issue of this certificate. (This can be done on board during your course. Extra cost \$89)

- Minimum age 16 yo.
- This is a high level training course with the aim of skilling you to be able to take command of a vessel up to 24m.
- This certificate will allow you to charter yachts.
- Cost of Certificate is \$150

Option 3 International Bareboat Skipper

- VHF radio licence required. Cost \$89
- Must have completed 200 nm and 10 days at sea (By the end of the course) to qualify for this qualification.
- This qualification can be converted to an ICC certificate to use for chartering yachts in Europe.
- Cost of certificates are \$150 each.
- This is a high level training course that will convert you from an amateur sailor to operating at a professional level.

This is to certify that

MA JOE SAILOR

Has successfully completed instruction and has demonstrated the knowledge and competencies to receive the following

INTERNATIONAL BAREBOAT SKIPPER SAIL

and is being issued this temporary certificate *valid for 6 weeks from date of issue* by Cape to Cape Adventure Sailing School while the final certificate is being generated by International Yacht Training Worldwide.

Flags: [Row of international flags]

Our course costs \$300 per person per day. This covers the boat and all the equipment onboard (dinghy, snorkelling equipment, fishing equipment, Stand up paddle boards and all safety equipment.) All your meals, your Instructor and an Adventure Sailing certificate.

With our arrangement with [International Yacht training](#) (IYT) we are also able to offer you Internationally recognized certificates that will allow you to charter yachts around the world. (These certificates are an extra cost).

Also we can issue you the much sort after [ICC certificate](#).

We can also assess you for your Recreational Skippers ticket whilst on board. This is the Boating Licence required to legally operate recreational boats in Western Australia.

We can also assess you for your VHF radio licence whilst onboard. This is a legal requirement if you wish to operate a marine radio and also a pre requisite for any of the IYT certificates.

Please complete these steps before joining your Adventure Sailing Course.

1. Register at [IYT world](#)
 - This is needed for issue of your certificate. Record your student number and bring it with you.
 - It also allows you access to LOTS of FREE e learning material. A little pre study will result in greater learning during your course.
2. Select required course.
3. Advise us of any special dietary needs.
4. Select extra learning options and desired certificates. E.g. Radio Licence and/or Recreational Skippers Ticket assessment (**Remember to bring a Passport Photo with you**)
5. Obtain travel insurance.
 - It costs less than \$50 for travel insurance. This covers you for missing the trip, medical evacuation, extra curricula activities eg surfing, spearfishing and much more.

Please complete form below and return it with your 20% deposit to secure your booking
