

Recreational Skippers Ticket course.

Thank you for making enquiry about Adventure Sailing's **Recreational Skippers Ticket course**.

This course will earn you the **boat drivers licence** required by the Department of Transport.

Minimum age is 14 Years old.

This assessment requires you to Pass (80%) a theory test and then display competence in a range of practical tasks.

We will prepare you for this assessment and will continue to work with you until you are ready to be assessed. If you don't pass, I've not done my job properly.

You will train in our 5 m Quintrex training boat, which is an easy boat to drive.

Prior to the course you need to read the Department of Transport's **RST work book and have a go at the online quizzes**. This book can be found online by clicking this link:

[Also a great study movie here](#)

You must bring your Drivers licence (or learners permit) with you as we used this to satisfy ID and eyesight requirements. If you don't have a licence call me (Paul 0458772581) and I will explain the many options, you can use to satisfy these requirements.

Also bring a hat. We will be in the sun for up to 2 hours. Sunscreen provided.

The course takes 4 hours and will include: revision of the theory involved in the test, sitting the test, practical training in our boat and finally the practical assessment.

You will leave us with your Recreational Skippers Ticket certificate and be legally able to drive any recreational vessel Australia wide.

Cost of the course is \$350 and this includes the Government charge of \$70 per applicant.

We provide everything you need. Boat, fuel, lifejacket, Instructor, test papers and certificate.

You simply need to bring a hat and your driver's licence.

Payment can be made via a bank transfer prior to the course (BSB 302-162 Acc 1382984) or cash on the day.

We conduct our courses at the ABBEY boat ramp. Close to the Corner of Geographe Bay Rd and Newtown Beach road. Turn off at Monaughans corner. If the weather is poor we will conduct the practical assessment at Port Geographe Marina.

Morning courses are at 10 am. Afternoon courses are at 2pm.
